Conversion goals:

Please state your campaign conversion goals which we can track. These should:

a) Be on your website

b) Be ideally tracked as page views [it is possible to track other types, but they are harder to set up]

c) Not be your campaign landing pages

d) Be limited to six conversion goals

e) Have one conversion goal higher up the conversion funnel (which you'd expect more people to complete) - e.g. viewed a page about how to apply to your institution.

f) Have one conversion goal further down the conversion funnel (which you'd expect fewer people to complete) - e.g. viewed an open day sign up confirmation page.

g) Be possible for us or yourselves to set up onsite before the campaign starts (this can be done either through a tag manager such as GTM or through TSR sending over our tracking code for you to implement)
